Discussion Regarding Races:

“Should we post personal contact information of Race Directors on the website?” (phone number, email, etc.)

- Ask each Director individually.

Donations for Races:

- Discussion of ways to revamp our current donor seeking process. Perhaps asking at one time rather than before each race.
- Perhaps developing a donation committee, provide certificates to donors becoming sponsors of CGRC.

CGRC Scholarships

- Esther presented a number of scholarship application examples from various other running clubs. Esther asked that we review these and provide her with input so we can further develop a scholarship application for the CGRC Scholarship.

Voted to

- Give permission to Stan (w/ Allan) to seek further web development opportunities to enhance CGRC Website. Examples of some possibilities: BlueHost.com, I-page, just.Host.
- Lori Latendresse will replace Sophie as CGRC Secretary. (Sophie is returning to school and stepped down)

Other:

- Stan would like to post all members on the CGRC Website
- Nathan Sellers seeking information regarding a Sternwheelers Days Run @ Cascade Locks. He is contacting the Lions Club, etc. Possibly a ½ marathon and/or full marathon.
